## **Junior Table Tennis Leadership Award**

Welcome to our new Junior Table Tennis Leadership Award. This award is especially for those aged 14 to 16 who attend one of our after school or community based clubs.

Our Junior Table Tennis Leadership Award will help you important skills which will be useful in later life as well as giving you valuable leadership skills and increase your knowledge of the sport of Table Tennis .

The Award involves completing a number of activities which you can do in your own time. You will be given plenty of opportunities to complete these tasks during your sessions and other events but there might be a task or two that you will need to complete at home.

Table Tennis, like most sports, consists of a number of areas, include coaching, officiating such as being an umpire or referee, organising events such as tournaments as well as sports development.

During your course you will experience all these aspects of the sport through a number of tasks and exercises. Many of these activities can currently assist you if you are working towards GCSE PE and undertaking the Table Tennis module. Some may well prepare you for future qualifications such as A-Level PE or UKCC Coaching qualifications.

After you have completed your tasks successfully you will receive our special certificate to mark this special occasion and become a Table Tennis Rother Official Junior Table Tennis Leader.

Your next step, should you choose it, would be to take a Table Tennis England Award. The include the Young Officials Award and the Table Tennis Networker Award. When you reach 16 you can even take the UKCC Level 1 qualification in Table Tennis Coaching !!
